Colleen Ryan, Senior Associate

“Colleen is an expert active listener and consistently reflected my words and ideas back at me so that I could learn how to support my own growth and nurture my own ideas. I was always in the driver's seat with my development, but Colleen's wisdom provided me with a great roadmap to success. Colleen's biggest strength was her ability to know when to push me professionally. Her direct, thoughtful, and empathic words of wisdom gave me the ability to make the next move. .”
